FOR PARTNERS · ISRAEL

Your next clients are preparing a home in Portugal

Our readers live in Luxembourg, France, Switzerland, Brazil, the United States and Israel. They are preparing a purchase in Portugal, from €300,000 to €10 million. Six editions, three languages, launching on 1 December 2026.

Who reads us

People with a plan: the home they will live in, a holiday home or an investment. They buy from the country where they live. They want clear rules, correct figures and good professionals.

Before launch, with real numbers

- 93,659 Portuguese nationals live in Luxembourg, 14.5% of the population (STATEC, 2021 census).
- Licensed partner group: estate agency (AMI 13250), credit intermediary and insurance.
- Six editions in three languages and a newsletter every Thursday from 1 December 2026.
- Audience figures appear here as soon as they exist.

Where you appear

- On the calculators, marked "offered by".
- On the questions in your category, with a labelled answer.
- In the Thursday newsletter.
- In a chapter of the free guide.
- On the map and in the "talk to a partner" lists for your category and editions.
- In the steps on residence, IFICI and inheritance.

One client covers the year

For a lawyer, one purchase file. For a bank, one mortgage. For a developer, one sale. For a wealth manager, a client for many years.

The network is open: several partners per category and edition. The order follows response time and readers' ratings. Real estate, mortgages and insurance stay with the partner group.

What partners get

Area placements, for developers

On the map, on the area's price page and on each municipality card: your logo, one project and the sponsored label. Up to three per area.

Path steps, for advisers

In each country, every step of the path ends with the partner who handles it: bank, lawyer, tax adviser, money transfer. Up to three per step and country.

Residence, tax and inheritance

In every country, next to the official rules.

Launches

A new project featured on the map, on the area page and in one newsletter.

Terms on request. Terms on request. Places are limited per area and per step. The first ten partners get founding-partner terms, until 1 December 2026. Terms on request.
