

PREPARED FOR SHALU INVESTMENTS · PRIVATE PREVIEW

O'rizon Living, seen by the buyers who live abroad

O'rizon Living / Shalu Investments, via Essential Business (article featured image; no credit line shown). Shown only in this private preview.

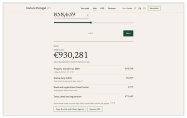

HOW A BUYER REACHES YOU

01 · They search, and we appear
"Twenty tabs. And every one says something different."

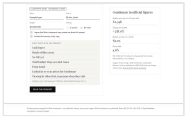

02 · They choose where
"Where do we even start? Lisbon? Porto? The coast?"

03 · They learn the real cost
"And what do three million shekels actually get us, once the taxes hit?"

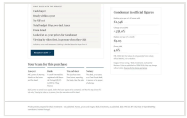

04 · They meet your homes
"Who's actually building there?"

05 · They ask for a private viewing
"Can someone just show it to us properly?"

06 · You receive the enquiry
"Porto. 9:00 am"

07 · We stay beside them until the keys
"And we'll need a lawyer. And a bank."
