## HOW A BUYER REACHES YOU

01 · They search, and we appear
*"Twenty tabs. And every one says something different."*

02 · They choose where
*"Where do we even start? Lisbon? Porto? The coast?"*

03 · They learn the real cost
*"And what do two million francs actually get us, once the taxes hit?"*

04 · They meet your homes
*"Who's actually building there?"*

05 · They ask for a private viewing
*"Can someone just show it to us properly?"*

06 · You receive the enquiry
*"Lisbon. 9:00 am"*

07 · We stay beside them until the keys
*"And we'll need a lawyer. And a bank."*
