HOW A BUYER REACHES YOU

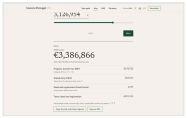

01 · They search, and we appear

"Twenty tabs. And every one says something different."

02 · They choose where

"Where do we even start? Lisbon? Porto? The coast?"

03 · They learn the real cost

"And what does three and a half million actually get us, once the taxes hit?"

04 · They meet your homes

"Who's actually building there?"

05 · They ask for a private viewing

"Can someone just show it to us properly?"

06 · You receive the enquiry

"Lisbon. 9:00 am"

07 · We stay beside them until the keys

"And we'll need a lawyer. And a bank."
